**1.4 SUPPLIER DECLARATION AND WARRANTY**

The Supplier -

- 1 ) certifies that this product complies with the Australia New Zealand Food Standards Code; and, in addition to the information provided specifically in this form, and without limitation to compliance with any other part of the Code, that the product complies with:
  - (a) Standard 1.3.4 - Identity and Purity
  - (b) Standard 1.4.1 - Contaminants & Natural Toxicants
  - (c) Standard 1.4.2 - Maximum Residue Limits in Food (In Australia), or
  - (d) Maximum Residue Limits of Agricultural Compounds, Mandatory Food Standard 1999 (and subsequent amendments) issued under sections 11C and 11Z of the Food Act 1981 in New Zealand
  - (e) Standard 1.4.3 - Articles & Materials in Contact with Food
  - (f ) Standard 1.4.4 - Prohibited & Restricted Plants & Fungi
 where applicable, and that where such certification relies on third party audits, analysis, industry codes, or equivalence of international standards to demonstrate compliance, that certificates are current and available;
- 2 ) acknowledges that the Customer, and Supply Chain Customers of the Customer, will rely on the accuracy of the Product Information for food quality, safety and labelling purposes;
- 3 ) certifies that the accuracy of the Product Information is limited to the following degree: –
  - (a) that the Product Information in relation to ingredients obtained from a third party relies in good faith on Product Information provided by that third party;
  - (b) that the information is, to the best of the supplier's knowledge (having undertaken all reasonable verification procedures), true and accurate in relation to all other substances and processes;
- 4 ) agrees that all Product it supplies to the Customer will conform with the Product Information unless otherwise agreed to in writing and in advance by the Customer;
- 5 ) will immediately inform the Customer (and confirm in writing as soon as possible) if the supplier becomes aware of any error or omission in the Product Information;
- 6 ) will inform the Customer in writing and in advance of any change to the Product Information provided herein (including any changes that result from new or modified processes) if and when the supplier becomes aware of such changes; and
- 7 ) acknowledges that the Customer may provide the Product Information to –
  - (a) regulatory agencies in relation to any matter raised by such agencies;
  - (b) courts and other legal tribunals for the purposes of any proceedings; and
  - (c) to its related businesses and partners who are involved in the acquisition, use, sale or compliance of the Product, under this same restriction as to disclosure.
 but will otherwise NOT disclose the Product Information.
- 8 ) acknowledges that, subject to the prior written agreement of the supplier and any restrictions nominated by the supplier in regard to disclosure of confidential information, the Customer may provide the Product Information to its own customers subject to those customers ensuring the information is not further disclosed.

2 PRODUCT INFORMATION & INGREDIENTS

2.1 PRODUCT DESCRIPTION (Physical and technological description)

A mild, creamy and slightly nutty cheddar flavour.

2.2 LEGAL DESCRIPTION / SUGGESTED LABELLING DESCRIPTION

Aussie Jack Natural Shredded Cheese

2.3 PRODUCT APPLICATION AND INTENDED USE

2.3.1 Specify the intended use of the product

Food may be used as an ingredient, or may be retail-ready finished product

2.3.2 Specify which best describes the product

Solid, semi-solid or powder substance, ready for consumption

2.4 COUNTRY OF ORIGIN

2.4.1 Specify the most appropriate overarching country of origin declaration which applies to this product :

Declaration: Country: Made in Australia or

2.4.2 Indicate if the local content of ingredients/components originating from Australia on average exceeds 95% Yes Yes/No

2.4.3 Are the primary components, from which this product is made or derived, sourced from more than one country? Yes Yes/No

IF YES, nominate the countries the primary components used to make the product come from:

New Zealand Denmark Taiwan

2.4.4 Indicate if the following apply in determining country of origin declaration in 2.4.1: The IMPORTED COMPONENTS have undergone substantial transformation No Yes/No The PRODUCT has undergone substantial transformation No Yes/No 50% or more of total product costs are incurred in the country stated Yes Yes/No Essential characteristic of the product is the result of local processing conditions Yes Yes/No

2.5 COMPONENT TYPE

Specify the type of the components present in product (Tick ONLY ONE check box below)

- product is a single component substance
- X product contains ingredients, which may include compound substances
- product consists of various ingredients which are NOT compound substances

2.6 INGREDIENT DECLARATION

Specify all ingredients including food additives in descending order, including percentage labelling of characterising components or ingredients. Compound substances must specify all ingredients and additives present and the characterising ingredient or component. Food additives must specify a functional class name and the food additive name or code number [e.g. antioxidants (304, 306), or food acid (citric)]

How many components are in this product? 2

| COMPONENT NAME    | PERCENT OF TOTAL % | COMPOUND SUBSTANCE INGREDIENTS                                                           |                            |

| Phytosterol esters                                                                                                                                                                                                                    | No                  |
| Tall oil phytosterols.                                                                                                                                                                                                                | No                  |
| Cereal-based beverages, where these foods contain no more than 2.5% m/m fat and less than 3% m/m protein, or less than 3% m/m protein only.                                                                                           | No                  |
| Evaporated and dried products made from cereals, where these foods contain no more than 2.5% m/m fat and less than 3% m/m protein, or less than 3% m/m protein only, as reconstituted according to directions for direct consumption. | No                  |
| Milk, and beverages made from soy or cereals, where these foods contain no more than 2.5% m/m fat.                                                                                                                                    | No                  |
| Evaporated milks, dried milks and equivalent products made from soy or cereals, where these foods contain no more than 2.5% m/m fat as reconstituted according to directions for direct consumption.                                  | No                  |
| Royal jelly presented as a food or ingredient                                                                                                                                                                                         | No                  |
| Polyols, Isomalts, Polydextrose (Lactitol, Maltitol, Maltitol syrup, Mannitol, Xylitol, Erythritol, Isomalt, Polydextrose, Sorbitol)                                                                                                  | No                  |

**3.2 ALLERGEN MANAGEMENT & CONTROL**

Yes/No

3.2.1 Does the facility have a Food Safety Program?

**Yes**

3.2.2 Does the facility have a documented allergen management plan?

**Yes**

IF YES, does this include the management of cross contact allergens?

**Yes**

3.2.3 Has the Food Safety Program been independently audited and certified?

**Yes**If Yes provide name of Certifying Body **FSSC22000 Food Safety Standard by BSI**Date of most recent audit / inspection **See certificate provided****Provide copy of certificate**

3.2.4 Indicate if any of the following is applied in order to manage allergens and minimise allergen cross contact within the manufacturing facility: (Select all appropriate checkboxes)

☒ validated cleaning procedures☒ control of personnel movement in factory☒ documented procedures and controls☒ raw material sourcing & tracing☐ other☒ production scheduling☒ staff training☒ isolated storage of allergens☒ dedicated equipment**3.3 INGREDIENTS TO BE DECLARED AS ALLERGENS OR SULPHITE**

Please insert **YES** or **NO** to indicate if the product contains, or was manufactured using, any ingredient, additive or processing aid which has been derived from the following food sources. Highly processed derivatives must always be declared. Carefully assess compound ingredients for hidden allergens. [\*\* Lupin included as a possible future addition to the Food Standards Code.]

**3.3.3 Based on Section 3.3, SPECIFY allergenic ingredients to be declared:**

Contains: Milk

**3.4 ALLERGEN CROSS CONTACT**

Yes/No

3.4.1 Except for any allergens listed in Section 3.3, does your company have on site and handle ANY OTHER allergenic substances listed below?

**Yes**

IF YES, complete ALL columns with respect to the potential cross contact allergens based on information received through YOUR supply chain AND YOUR manufacturing processes.

\*\*Refer to VITAL procedure and decision tree.

<http://www.allergenbureau.net/vital/>

**3.4.2 All columns must be completed WHERE HIGHLIGHTED**

|                                                                                                                                                      |                     | Describe any heat processing used in the manufacture of this product (temperature/time):            |                                      |

#### 4 FOODS REQUIRING PRE-MARKET CLEARANCE

##### 4.1 NOVEL FOODS (Refer Standard 1.5.1 of the Code)

4.1.1 Is this product (or any of its components) listed as a novel food in the standard?

☐ No Yes/No

##### 4.2 QUARANTINE TREATMENTS

Specify if this product (or any of its components) has been treated with the following:

| TREATMENT METHOD              | USED ON ANY COMPONENT       | SPECIFY TREATED INGREDIENT |
|-------------------------------|-----------------------------|----------------------------|
| Steam sterilisation           | <input type="checkbox"/> No |                            |
| Ionising (gamma) irradiation  | <input type="checkbox"/> No |                            |
| Ethylene oxide                | <input type="checkbox"/> No |                            |
| Other fumigants or sterilants | <input type="checkbox"/> No |                            |

##### 4.3 FOOD PRODUCED USING GENE TECHNOLOGY (Standard 1.5.2)

4.3.1 Are there any ingredients (including food additives, processing aids and enzymes) in this product that come from genetically modified (GM) plants or animals, or are the result of synthesis by GM micro-organisms, but with the exemption of use of GM feedstock?

☐ No Yes/No

IF NO, specify which of the following are applicable:

- ☒ No GM varieties of this food / ingredient available  
☐ Non GM variety is used  
☐ Identity preservation program in place

- ☐ Analytical testing confirms absence  
☐ Verifiable documentation of status  
☐ Other – Specify

Go to Question 4.3.7 and continue

##### GM CROSS CONTAMINATION IN FOODS AND INGREDIENTS

Yes/No

4.3.7. Is this a raw/bulk commodity which is transported by freight/tanker AND where the freight/tanker could have previously been used to transport other GM product?

☐ No

4.3.8. Is this product manufactured or stored at a production site where genetically modified protein or DNA is used for the manufacture of other products?

☐ No

4.3.9. Is there an identity preservation system separating non GM and GM components to ensure the absence of genetically modified material in this product?

☐ No

Specify details:

4.3.10. Has Polymerase Chain Reaction (PCR) testing for GM materials been carried out?

☐ No

4.3.11. Is any GM food or GM ingredient unintentionally present at MORE THAN 10g/kg

☐ No

**EXEMPTION TO LABELLING APPLIES AND GM LABELLING IS NOT REQUIRED**

4.3.12. (OPTIONAL) Are any ingredients derived from an animal which has been fed with feedstock containing GM ingredients or ingredients derived from GM micro-organisms?

No

Specify details:

5 NUTRIENTS & CONSUMER INFORMATION CLAIMS

5.1 NUTRITION INFORMATION

5.1.1 Please specify the serve size for this as a finished product:

25 gram

5.1.2 For nutrition information below, please specify the **UNITS** of measure:

X grams

Complete nutrient table below. Mandatory nutrients highlighted in blue and bolded, others optional.

| NUTRIENT             | AVG QUANTITY<br>PER SERVE | % DI per<br>serve | AVG QUANTITY<br>per 100 g |
|----------------------|---------------------------|-------------------|---------------------------|
| Energy               | 373 kJ                    | 4%                | 1490 kJ                   |
| Protein, total       | 6 g                       | 12%               | 24 g                      |
| - Gluten             |                           |                   |                           |
| Fat, total           | 7.5 g                     | 11%               | 30 g                      |
| - saturated          | 5.13 g                    | 21%               | 20.5 g                    |
| - transfat           |                           |                   |                           |
| - polyunsaturated    |                           |                   |                           |
| - monounsaturated    |                           |                   |                           |
| Cholesterol          |                           |                   |                           |
| Carbohydrate         | less than 1 g             | ~0%               | Less than 1 g             |
| - sugars             | less than 1 g             | < 0.3%            | Less than 1 g             |
| Dietary fibre, total |                           |                   |                           |
| Sodium               | 180 mg                    | 8%                | 720 mg                    |
| Potassium            |                           |                   |                           |

NIP fields blank. Use  
numbers, or text "less  
than" with value; or  
"unavailable" or "not  
detected" for gluten.

5.1.3 Additional nutrients - vitamins, minerals and other nutritive substances

Specify only one target population for product (selection ONLY ONE check box):

X Adults Young Children Infants

| VITAMINS<br>specify which vitamin | AVG QUANTITY<br>per 100 g | % RDI /<br>serve | MINERALS<br>specify which minerals | AVG QUANTITY<br>per 100 g | % RDI /<br>serve |
|-----------------------------------|---------------------------|------------------|------------------------------------|---------------------------|------------------|
|                                   |                           |                  | calcium                            | 796.0 mg                  | 25%              |
|                                   |                           |                  |                                    |                           |                  |
|                                   |                           |                  |                                    |                           |                  |
|                                   |                           |                  |                                    |                           |                  |
|                                   |                           |                  |                                    |                           |                  |

NOTE: there is no permission to FORTIFY foods with this substance indicated with \*\*

Insert any other nutrient or biologically active substance

| NAME OF SUBSTANCE | AVG QUANTITY per 100 g | %RDI / serve |
|-------------------|------------------------|--------------|
|                   |                        |              |
|                   |                        |              |
|                   |                        |              |

5.1.4 Please provide the following analytical data:

|            |  |
|------------|--|
| % Ash      |  |
| % Moisture |  |

|                                               |     |
|-----------------------------------------------|-----|
| Estimation content<br>accounted for per 100 g | N/A |
|-----------------------------------------------|-----|

5.1.5 Please specify how the carbohydrate value has been determined:

Difference as defined in Standard 1.2.8 X Available Carbohydrate as defined in Standard 1.2.8 Other - specify: Unknown

5.1.6 Please nominate the source used to provide nutrition data in the tables above

Analytical – e.g. Laboratory Tested ☐

Theoretical – e.g. By Calculation. ☒

Please specify the source of data used for the theoretical calculations (e.g. Nuttab, AusNut, NZ food tables, etc)

Theoretical calculation based on historical data.

## 5.2 SUITABILITY TO MAKE CERTAIN CLAIMS

Specify if the product is suitable for use in product intended for the following consumer uses.

| SPECIFY IF SUITABLE FOR ...<br>Yes / No |     | HOW HAS THIS BEEN VALIDATED? | CERTIFICATE<br>AVAILABLE (Yes/No) |
|-----------------------------------------|-----|------------------------------|-----------------------------------|
| Halal                                   | Yes | Halal Certified              | Yes                               |
| Kosher                                  | No  |                              |                                   |
| Organic                                 | No  |                              |                                   |
| Biodynamic                              | No  |                              |                                   |
| Ovo-lacto-vegetarian                    | Yes | Ingredient used              | No                                |
| Lacto-vegetarian                        |     |                              |                                   |
| Vegan                                   |     |                              |                                   |

Invalid claim:  
Section 3.2 /  
3.3 / 3.4 / 3.5

**A copy of relevant certificates must be provided as attachments to form**

| PRODUCT SUITABILITY FOR ...<br>Yes / No |    | SPECIFY PARTICULAR CLAIMS | HOW IS CLAIM<br>VALIDATED? |

| Any other claims                        | No |                           |                            |

## 6 DURABILITY, PACKAGING AND SUPPLY CHAIN

### 6.1 SHELF LIFE

6.1.1 Please complete the following details:

|                                         | PRODUCT AS SUPPLIED<br>unopened pack or bulk container |       | PRODUCT - ONCE IN USE<br>resealable pack or bulk container |       |
|-----------------------------------------|--------------------------------------------------------|-------|------------------------------------------------------------|-------|
| Specify shelf life                      | 180                                                    | Days  | 14                                                         | Days  |
| Temperature control during storage      | Is required ?                                          | Yes   | Is required ?                                              | Yes   |
|                                         | Specify range:                                         | <5 °C | Specify range:                                             | <5 °C |
| Temperature control during transport    | Is required ?                                          | Yes   |                                                            |       |
|                                         | Specify range:                                         | <5 °C |                                                            |       |
| Specify any OTHER storage requirements: | Keep refrigerated at or below 5°C                      |       | Once opened best consumed within 14 days.                  |       |

6.1.2 Specify the type of date mark to be used: **Best before**

Refer to AFGC Date Marking Guide

### 6.2 POTENTIAL HAZARDS

6.2.1 Are there any potential hazards associated with the product ? **No** Yes/No

### 6.3 TRANSPORT

How is product transported and packaged?

**Packaged in retail-ready packs**

### 6.4 TRADE MEASUREMENT

6.4.1 Specify which method of trade measurement is used:

**Net quantity**

6.4.2 What is the package size **2.00** **kg** (specify unit of measure)

6.4.3 Target Fill (if applicable) **2.00** **kg** (specify unit of measure)

6.4.4 Drained Weight (if applicable) **As per** (specify unit of measure)

6.4.5 IF AQS is used, what is the statistical variance in the fill measurement?

**As per**

### 6.5 TRACEABILITY

Please provide any general comments about the traceability coding used on the product:

Product is coded with Best Before Date, production line and Time.

Please specify the following where applicable:

| TRACKING CODE                                          | UNIT                                          |                                       | SHIPPER (if applicable)                       |                                       |
|--------------------------------------------------------|-----------------------------------------------|---------------------------------------|-----------------------------------------------|---------------------------------------|
| Type of Primary Coding<br>(Please TICK as appropriate) | <input checked="" type="checkbox"/> Date code | <input type="checkbox"/> Batch number | <input checked="" type="checkbox"/> Date code | <input type="checkbox"/> Batch number |
|                                                        | <input type="checkbox"/> Product code         | <input type="checkbox"/> Lot number   | <input type="checkbox"/> Product code         | <input type="checkbox"/> Lot number   |
| Method of coding                                       | Inkjet                                        |                                       | Inkjet                                        |                                       |
| Location of code                                       | Side of pack.                                 |                                       | Side of shipper                               |                                       |
| Number of characters in code                           | -                                             |                                       | -                                             |                                       |
| Example of coding format                               | Line, Best Before DD MMM YY, HH:MM            |                                       | DD MMM YY, HH:MM                              |                                       |
| Coding translation                                     | A4 Best Before 14 JAN 2019 20:18              |                                       | Best Before A 14 JAN 2019 20:18               |                                       |

### 6.6 PRODUCT PACKAGING

6.6.1 Are tamper evident controls included in the packaging design? **Yes** Yes/No

6.6.2 Has unit packaging been assessed for migration of substances into food? **Yes** Yes/No

6.6.3 Are engineered nanoparticles present in unit packaging? **No** Yes/No

6.6.4 Are you a signatory to relevant packaging stewardship in Australian or NZ ? **Yes** Yes/No

IF YES, have sustainable packaging reporting requirements been met? **Yes** Yes/No

## 6.6.5 Provide a general description of unit packaging:

Cardboard carton with a flexible barrier bag.

## 6.6.6 Complete the following table for questions related to packaging of unit package and/or shipper

| PACKAGING                                       |                                      | UNIT                 | SHIPPER |
|-------------------------------------------------|--------------------------------------|----------------------|---------|
| Type                                            | Packaging format                     | Flexible barrier bag | Box     |
| Specify components / material used in packaging | Ceramic                              | No                   | No      |
|                                                 | Glass                                | No                   | No      |
|                                                 | Metal                                | No                   | No      |
|                                                 | Paper / cardboard                    | No                   | Yes     |
|                                                 | Packing materials                    | No                   | No      |
|                                                 | Plastics                             | Yes                  | No      |
|                                                 | Specify plastic coding symbol number | 7                    |         |
|                                                 | % of total using recycled component  | 0%                   | 57%     |
| Seal                                            | What is the seal method?             | Heat Seal            | Glue    |
| Dimensions                                      | Height (mm)                          | 70                   | 220     |
|                                                 | Width (mm)                           | 290                  | 308     |
|                                                 | Depth (mm)                           | 360                  | 528     |

## 6.7 PALLET CONFIGURATION

**When nominating product is supplied from more than one manufacturing site**, the details provided must be applicable to product coming from any of the sites. For example, if particular allergens occur at only one site then the information provided in the form should identify that the allergens are present even though batches of product made at other sites may be allergen free.
